

The Alfred ICU Medical Recruitment Information Evening

Thursday 7th May 2026

The Alfred Innovation & Education Hub

The Alfred ICU is hosting a medical recruitment information evening. We invite medical staff interested in pursuing a career as a registrar, senior registrar or fellow in the Alfred ICU to join us. The night will include presentations from current trainees, CICM supervisors of training, workforce representatives and ICU nursing and medical leadership. The presentations aim to provide insights into the various available positions, career progression and first-hand experiences of the roles – registrar, senior registrar and fellows. A tour of the unit will be offered for those interested. Time will be available to meet the team and ask questions.

6.00pm Arrival drinks & light catering.

6.30pm Information session presentations (available virtually for regional, interstate & overseas attendees).

7.30pm Tours of the Intensive Care Unit.

8.00pm Meet the Team.
